Innovation, creativity and artistic expression are key words for the musicians and with musical joy, warmth and skill they touch their audience. The artistic profile of the orchestra is to present new perspectives; whether it is in traditional chamber orchestra repertoire, presenting music written by Swedish composers or in crossover concerts within jazz, folk music or popular music. Various musical projects and collaborations with famous artists make DalaSinfoniettan a strong cultural trademark for the region of Dalarna. DalaSinfoniettan numbers 28 permanent musicians and as a regional orchestra

they tour 10,000 km all over Dalarna playing more than 70 concerts every year. Since 2007 the chief conductor and artistic director is Bjarte Engeset.
