Fondazione Teatro di San Carlo

HEREBY GIVES NOTICE

that it intends to invite applications, in the manner and by the deadlines specified below:

- a) are Italian citizens or citizens of another Member State of the European Union, or nationals of third countries holding a European Union residence permit for long-term residents;
- b) are at least eighteen years of age;
- c) enjoy political rights and have not been excluded from the right to vote;

The prescribed requirements must be met by the deadline for submitting the application for admission. The Foundation reserves the right, at any time during the competitive selection procedure, to carry out checks, including on a sample basis, on the declarations made by candidates and may issue a reasoned measure excluding a candidate from the competition for failure to meet the prescribed requirements,

for failure to submit, or incomplete submission of, the required documentation, or following the checks required under the same competitive selection procedure.

ART. 2 PROCEDURE AND SELECTION CRITERIA

Applications shall be examined by the Foundation to verify that the eligibility requirements under points a) to f) are met.

Following that examination, applicants who meet the above requirements will be invited to undergo the relevant selection.

Passing the competition tests does not confer a right to employment.

Any employment of the selected candidate shall be subject to compliance with the legislation in force and, in particular, with the limits laid down by sector-specific legislation, insofar as compatible with the organisational requirements of the Foundation.

ART. 7 AUDITION PANEL

The Audition Panel will be appointed by a measure of the Superintendent, in accordance with the procedures laid down in the applicable National Collective Labour Agreement and the Foundation's internal procedures.

ART. 8 ASSESSMENT AND MERIT RANKING LIST

The selection procedure consists of several successive stages.

Having regard to the technical and artistic standard demonstrated by the candidates, the Examining Panel may determine admission to subsequent stages of the selection or terminate the procedure at any stage.

In the intermediate tests, the assessment is expressed by the summary decision ADMITTED/NOT ADMITTED (YES/NO) for the subsequent tests.

Progression to subsequent stages is determined on the basis of a favourable decision by the majority of the members of the Panel. The final test is assessed on a scale of ten.

For the purposes of possible permanent employment, in order to be deemed suitable the candidate must obtain a minimum score of 8/10, calculated as the arithmetic mean of the marks awarded by each member of the Selection Panel.

The ranking list of suitable candidates drawn up by the Panel will subsequently be ratified by a decision of the Superintendent. The decision of the Panel is final and not subject to appeal.

The successful candidates are those placed in the final ranking list of suitable candidates in positions corresponding to the number of available vacancies, subject to the prescribed eligibility requirements.

The final ranking list of suitable candidates will be published on the Foundation's website, www.teatrosancarlo.it, for all legal purposes, and will remain valid for 12 months so that the next-ranked candidate may be appointed in the event of withdrawal or forfeiture by a successful candidate.

For possible fixed-term employment, candidates who obtain a final score of at least 7/10 may, solely for the 2026/27 season, be called for possible future fixed-term employment pursuant to Article 1, paragraph 5, of the National Collective Labour Agreement for employees of Opera and Symphony Foundations in force from time to time and the applicable legislation.

The recruitment procedures and the related methods of implementation defined by the Foundation are intended to ensure compliance with the principles of impartiality and adequate publicity and are also based on criteria of cost-effectiveness and expeditious completion.

ART. 9 EMPLOYMENT AND SUBMISSION OF DOCUMENTS

Any employment of a successful candidate will be authorised by a measure of the Superintendent, in compliance with the legislation in force and with budgetary constraints, since permanent recruitment must be proportionate to the Foundation's actual staffing requirements, compatible with forecast budget data and within the staffing levels approved pursuant to Law 81 of 2019.

The Administration also reserves the right to suspend or not proceed with the employment of successful candidates on the basis of requirements that cannot currently be assessed or foreseen, and in application of new legislative provisions, without successful candidates being entitled to make any claim or assert any right to such employment.

The employment provisions laid down in the National Collective Labour Agreement for employees of Opera and Symphony Foundations and in the current company-level supplementary agreements shall also apply.

The successful candidate must take up employment by the date specified in the letter of appointment; failure to take up employment by that date will be deemed a renunciation of the position. At the time of employment, the successful candidate must submit the following documents, failing which their entitlement will be forfeited:

- a) a valid identity document showing the date and place of birth and nationality;
- b) a copy of the Tax Code;
- c) a valid residence permit for employment purposes, or an equivalent valid document, for nationals of countries outside the European Union;

- d) educational qualifications in the original or as certified copies. A successful candidate whose declarations made when registering for the public selection procedure prove inaccurate or not entirely truthful will be declared to have forfeited the position.

In the event of withdrawal or forfeiture by the successful candidate, the Foundation may appoint the suitable candidate immediately following in the ranking order. The Foundation reserves the right to verify in advance, in accordance with the legislation in force, that the successful candidate possesses the physical fitness required for the duties, which is a condition of employment. Permanent employment shall in any event be subject to successful completion of a probationary period not exceeding six months of service, in accordance with the National Collective Labour Agreement for employees of Opera and Symphony Foundations. The Foundation will not employ any person who, on the scheduled commencement date of employment with the Foundation, has any employment relationship with another public or private body or administration.

Employment by the Foundation presupposes the waiver of any existing or potential litigation against it concerning challenges to previous fixed-term contracts, together with the signing of a settlement agreement in the appropriate institutional forum.

ART. 10 REMUNERATION AND EMPLOYMENT CONDITIONS

The gross annual remuneration for the position of Section Viola is currently not less than € 33,956.81 and may be varied in application of the National Collective Labour Agreement currently in force, including changes arising from contract renewals and from the salary and career progression mechanisms provided for therein and in the current Company-level Supplementary Agreement.

The remuneration is subject to the taxes and social security contributions laid down by the legislation in force.

ART. 11 FINAL PROVISIONS

Participants in the public selection procedure are not entitled to any allowance or reimbursement of travel and accommodation expenses. The Foundation reserves the right to amend, suspend or revoke this selection procedure in whole or in part, or to reopen and/or extend the deadlines for submitting applications, where it considers this necessary or appropriate for reasons of public interest, without candidates being entitled to any claim or right and without any obligation to notify the individual candidates of the relevant measure.

For matters not covered by this notice, the legislative and contractual provisions in force in the relevant field shall apply.

The Foundation is subject to Article 5, paragraph 9, of Decree-Law 6 July 2012, No. 9, converted into Law 7 August 2012, No. 135 (the so-called Madia Decree).

ART. 12 PROCESSING OF PERSONAL DATA

Pursuant to Article 13, paragraph 1, of Legislative Decree 30 June 2003, No. 196 and pursuant to and for the purposes of Article 13 of Regulation (European Union) 2016/679 of the European Parliament, the personal data provided by the candidate will be collected by electronic and manual means at the Foundation and processed, in compliance with the legislation cited, exclusively for the purposes of managing the public selection procedure, including publication of the names on the Foundation's website and, following any establishment of an employment relationship, for purposes connected with managing that relationship; the data will not be disclosed to third parties except in the cases provided for by law and by the collective labour agreements applicable to the sector. The provision of data is mandatory for the purposes of assessing the participation requirements; failure to provide it will result in exclusion from the competition.

The candidate has the rights referred to in Article 7 of the cited decree, including the right to access the data concerning them and certain supplementary rights, including the right to rectify, update, complete or erase data that are inaccurate, incomplete or collected in a manner that does not comply with the law, as well as the right to object to their processing on legitimate grounds.

These rights may be exercised against Fondazione Teatro di San Carlo, the data controller. The Foundation's Personnel Director is responsible for processing.

By submitting the application for admission to the competition, the candidate declares that they have read this notice on the processing of the personal data provided and consents to such processing.
