Welcome from the Head

The Abbey is a remarkable all-girls community of learning and brilliant experiences. It is a place of curiosity, adventurous spirits, and the excitement of discovery. We focus on individual care and attention in a warmly supportive atmosphere, full of fun and laughter. Our students have the assurance to take risks, explore interests and passions, and engage generously with the world and with each other.

Our results are outstanding, but what matters to us is how students achieve them. Our goal is to equip girls to achieve academic excellence with confidence, purpose and joy. This means providing exceptional opportunities across the widest spectrum of learning and activities. We offer more student-led learning and choice in our curriculum than almost any other school, so that students take charge of their own futures and mature into the people they mean to be.

What's special about The Abbey is the atmosphere. We're a diverse, down-to-earth community full of enthusiasm, spark and energy. We have played a leading role in all-girls education for over 130 years. During that time we've adapted and innovated and that is true now more than ever. In today's world, all-girls education matters: it helps our students face the future on their own terms, ready to make the world a better place for themselves and the communities around them.

I look forward to receiving your application to join The Abbey as a valued member of our community.
