About Us

The College

Founded in 1882, the Royal College of Music (RCM) is a world-leading music conservatoire with a prestigious history and contemporary outlook. The RCM is a vibrant community of talented and open-minded musicians, with over 900 students from more than 50 countries studying at undergraduate, masters or doctoral level in the Senior College throughout the week and 300 students on a Saturday in the Junior Department. Former students of the RCM hold key roles in music and the arts in all parts of the world - as performers, teachers, composers, conductors and amateurs. The RCM was ranked the Global No.1 institution for both Music and Performing Arts in the 2024 QS World University Rankings by Subject. The College has held this world-leading place in Performing Arts for the three successive years, while Music is a new subject introduced to the rankings this year.

Staff

The RCM has over 250 members of professorial (teaching) staff and over 100 teachers in the Junior Department - the majority of whom are busy professionals with worldwide reputations, who include teaching among the various musical activities that they regularly undertake. Their work, and the work of the College as a whole, is supported by a team of over one 100 administrative staff.

Location

The RCM benefits from its particular location in South Kensington - one of the most attractive and interesting parts of central London. The area is well-served by public transport: South Kensington tube station is within ten minutes' walk; several bus routes pass the Royal Albert Hall. Kensington Gardens and the renowned museums of Exhibition Road, the Natural History Museum, the Victoria & Albert Museum and the Science Museum, are only a short walk away; Imperial College of Science, Technology & Medicine is next door; the Royal College of Art and the Royal Albert Hall are just across the road. The area, known originally as Albertopolis, emerged as a location for national institutions in the arts and sciences after the Great Exhibition of 1851 largely because of the enthusiasm of Prince Albert. Relationships with neighbouring institutions are friendly and supportive.
