**14TH - 21ST
SEPTEMBER 2025**

The masterclasses of the Maremma Musica 2025 Festival are aimed at music students (piano, string instruments, chamber music, and voice) and will take place in the idyllic landscape of central Italy, between the Tuscan hills and the coast near Grosseto. The masterclasses will be held in Campagnatico, a beautiful, peaceful village that has managed to retain its authentic character over the years.

Various works for piano, chamber music ensemble, and string orchestra will be performed. All active students will have the opportunity to participate in the concerts and/or give a recital. In addition, there will be three 60-minute lessons on their respective instruments.
