As part of the application, we require a performance video of you, which may include multiple pieces, to be sent to [info@opusone.studio](mailto:info@opusone.studio).

The submitted video will also be used to assess chamber music placement. Instrumentalists will be paired with pianists and assigned duo/chamber repertoire based on skill level to ensure a well-balanced collaboration. Chamber music pieces will be assigned two weeks after registration is confirmed, allowing ample time for preparation.
