

WELCOME TO PIANO CAMP JAPAN

ピアノ・キャンプへようこそ

After the resounding success of our inaugural festival in Japan, we are thrilled to present the 3rd Edition of the international music boot camp 『Piano Camp Japan 2026』, returning for another inspiring spring filled with music, culture, and discovery.

Under the artistic leadership of Steinway Artist Aisa Ijiri, and guided by a distinguished faculty of internationally acclaimed pianists, professors, and Steinway Artists, Piano Camp Japan offers aspiring young musicians and music lovers a truly immersive and transformative experience.

This year's programme includes Inspiring Masterclasses at Symphony Salon, Steinway Artist Concert at Steinway Hall Tokyo, Steinway Spirio | r Workshop in collaboration with Steinway & Sons Japan and a celebratory Students' Concert at Kawai Omotesando. Beyond the piano, participants will journey deep into the heart of Japanese culture. Discover the elegance of a traditional Geisha performance in Gion, embrace tradition through an authentic kimono experience, and find serenity in the Japanese Tea Ceremony. Be mesmerized by the immersive digital universe of teamLab Borderless and conclude the experience beneath the magical cherry blossoms of Kyoto's Sakura Festival at Nijo Castle, a UNESCO World Heritage Site.

Piano Camp Japan 2026 is a bespoke cultural journey, where artistic excellence, heritage, and inspiration unite in perfect harmony. We look forward to welcoming you to the Land of the Rising Sun, where unforgettable artistry, meaningful connections, and lifelong memories await!
