

Open Call for Applications

MUSETHICA INTERNATIONAL PROGRAMME

Seasons 2026/27 & 2027/28

Musethica is happy to invite young instrumentalists and established string quartets to apply for the Musethica International Programme.

Musethica is an international music education programme designed for advanced young musicians and chamber music ensembles. Combining high-level music training with social engagement, it aims to enhance interpretative skills through a large number of performance opportunities alongside Musethica tutors, nurturing inspiration, listening abilities, and overall musical proficiency.

Throughout two seasons, accepted musicians have the opportunity to participate in multiple Musethica Sessions or Chamber Music Festivals. The activities take place in Austria, France, Germany, Israel, Poland, Spain, Sweden, The Netherlands, Ukraine, and Portugal.

In 2026, young musicians can apply in the following categories:

Violin • Viola • Violoncello • String Quartet

The selection process is conducted by Musethica's International Artistic Committee. The application deadline is May 3rd, 2026. The results will be announced before the Summer.
