COVID-19 INFORMATION

The NAO and Brott Music Festival are committed to providing the best orchestral training program possible given the ever-changing requirements of COVID-19. We are planning on a full in-person 2022 summer training and performance session.

In accordance with the Province of Ontario and the City of Hamilton, the NAO will require proof of full vaccination and for all artists to be up-to-date on all COVID-19 protocols. This is mandatory for acceptance into the program.

Should we not be allowed to hold live events, we will still continue to offer a full, virtual training program.
