-

**Prof. Miguel Romea** conducts on a regular basis orchestras in three continents: America, Europe and Asia. His students are chief conductors all over Europe.

He is currently **Chief Conductor and Artistic Director** of Verum Symphony Orchestra.

Mr. Romea is **professor** for Orchestral Conducting and Chief Conductor of the University Symphony Orchestra of Madrid, Alfonso X el Sabio as well as in ELCAMM institute in Málaga.

As a **pedagogue** he has reset the way the orchestral conducting technique is approached, connecting it to a daily real **communication** with the musicians based on the modeling and shaping of the sound of the orchestra.

**Mr. Romea** teaches orchestral conducting in Finland, Germany, Bulgaria, Italy, USA and Spain.
