

## **SEIMPI SCHOOL OF MUSIC**

Seimpi School of Music has come a long way to reach its current status as the leading music education program provider in South East Asia since the year of 2002. It started with a series of highly successful Music for the intelligent Mind™ (MIM®) courses for children. The courses have since spread to many centres in Singapore, Malaysia and most recently, in Indonesia. The School has since trained numerous students who excelled in music examinations and international competitions.
